

Notice on 2026 Spring Semester

Graduate School Comprehensive Examination

The comprehensive examination for the 2026 Spring semester, which is a qualification test for thesis submission, will be conducted as follows. Eligible students are requested to apply within the application period.

1. Qualification for application

○ A student

- who have passed the **foreign language test**,
- completed registration (including research registration),
- **earned at least** 18 credits for M.S. (Combined B.S & M.S), 27 credits for Ph.D., or 51 credits for combined M.S. & Ph.D., with a grade average of B or higher.

※ Students who do not pass the comprehensive examination may retake only the subject(s) they failed.

(However, each department may limit the number of retakes and the timing of re-examination.)

2. Application period : **March 23. 2026. (Mon.) 10:00 ~ March 25. 2026. (Wed.) 18:00**

3. Application Method :

Portal system → 통합정보시스템 (Academic Administration) → 졸업 (Graduation) → 대학원 종합시험 관리 (Degree Qualification Test mgmt.) → 종합시험신청(Comprehensive Exam Application) → select test subjects (select with a red arrow)

※ After applying for the comprehensive exam, click the “SEARCH” button to check whether you have applied and application contents.

To confirm your application, check whether the approval status is displayed as ‘Department verification’ or print out the application form.

4. Examination Subjects : 2 subjects from the student's major field completed in the relevant degree program
- ※ The comprehensive examination is conducted to evaluate the expertise and research skills of the major and related fields. Please apply for the test subjects in your major field.
 - ※ Excluding one-credit courses, graduate thesis research, and laboratory/practical courses.
 - ※ The procedure in Section 3 'Application Method' indicates your intention to apply for the examination. Before taking the examination, please make sure to check the final approved subjects confirmed by your department.
5. Examination Time : 60 minutes for each subject
6. Examination Date : To be determined by each department, during the period from
April 2, 2026 (Thu.) ~ April 15, 2026 (Wed.)
7. Examination Hall (Location) : To be determined by each department
8. Criteria [Pass for the exam] : A score of 70 or higher in each subject (out of 100).
9. Announcement of result (scheduled) : Expected on April 20, 2026 (Mon.)
- ※ Students planning to apply for thesis submission this semester must first check the results of the comprehensive examination.
10. Related Inquiries : Graduate School Office (Tel. 032-835-8012), Department office
- ※ Please be sure to check the examination instructions provided by your ★department.
